

Ryan's Audio Visual Set-up

Ryan travels with the following items to help make his presentations adaptable to any setting.

-  MacBook Pro
-  HDMI Adapters
-  USB 2.0 to USB-C Adapters
-  A Slide Advancer
-  Headset microphone with Adapters

Ryan is excited to present to your group!

It is helpful when the venue has the following:

-  High quality video projectors
 - Ideally with HDMI hook-up
-  Audio hookup and controls
 - Either via HDMI or 1/8" jack
-  Lavalier/wireless microphone
-  High quality sound system
 - To play audio from music and videos
 - To amplify Ryan's voice clearly

If the venue does not have these items, please let us know right away so we can find alternative solutions.

Please reach out with any questions!
